

JOB TITLE:	Carpenter (Darwin)
POSITION No:	99999
BUSINESS UNIT:	Manufacturing
LOCATION:	Darwin
STATUS:	Permanent, Full-time or Casual
REPORTS TO:	Manufacturing Manager (Darwin)

NT Link specialises in the modular design and fabrication of transportable commercial and residential buildings. Located in both Darwin and Alice Springs we have been operating throughout Northern Australia for over 30 years.

We respect your right to be treated equally in all aspects of your involvement in our business and ensure, as far as reasonably practicable, the health and safety of you and others.

THE ROLE

As Carpenter, construct, erect, install, renovate and repair structures and fixtures of various materials to manufacture and/or retrofit transportable buildings.

RESPONSIBILITIES

- ① Ensure a safe and healthy work environment for yourself and others involved in, or exposed to, our business activities;
- ① Study drawings and specifications to determine materials required, dimensions and installation procedures;
- ① Cut materials with hand and power tools, and assemble;
- ① Erects framework, lays sub-flooring and verifies trueness of structures;
- ① Assemble ceiling joists and rafters to construct roof framing, or nail pre-fabricated roof trusses into place;
- ① Nail panels, sheathe roofs and fit exterior wall cladding to enclose structures;
- ① Cut and nail frames around windows and doors, hang doors, install prefabricated units and other structures, and nail flooring over sub-floor;
- ① Install door handles, locks, hardware, flooring underlay, suspended ceilings, insulating materials and other fixtures as needed;
- ① Examine and remove parts of existing structures, do minor preparatory work and install building supports;
- ① Erect scaffolding and steel studding;
- ① Other duties as directed.

SELECTION CRITERIA

Essential

- ① Certificate III in Carpentry, or equivalent trade certificate and 1 years' experience in similar role;
- ① Current Drivers Licence and Construction Induction (White Card);

- Demonstrates strong listening, speaking and writing skills. Exchanges ideas and information effectively.

Desirable

- High Risk Licence – Forklift;
- Certificate Working at Heights;
- Previous transportable building experience is an advantage.

HOW TO APPLY

To apply for this role, email a current resume, including name and contact details of two referees. At least one referee must have a thorough knowledge of your conduct and performance within the previous two years.
